

TREE PLANTATION ON DRIVE ORGANISED BY ALLIED HEALTH SCIENCE

DATE: 02/10/2019

VENUE: HOSPITAL PARKING

Tree plantation has been arranged on the occasion of 150th birth anniversary of Mahatma Gandhi our department of Allied health science students Altaf Saikh, Saif Saikh, Imran Choudhury observe a tree plantation day programme at D Y Patil university, Navi Mumbai. The task was planting tree to clean the campus and to aware students about the protection of environment approx 200 plants purchased and many of students planted various type of sapling and our respected Chief coordinator Mrs. Sneha sonawane addressed laid emphasis in the importance of tree plantation she also encouraged the students “SAVE TREE SAFE LIFE”.

The students show great enthusiasm and that time present our honourable guest:

Dean school of medicine Dr. Surekha Patil

CEO of Hospital Dr. Rahul Paddawad

HOD of Allied health science Dr. Kailash Jawade

Chief coordinator Mrs. Sneha Sonawane

This programme have been arranged in the presents all students of Allied Health Science. We all are proved of the impression that we have been able to maintain in our region on the occasion of Gandhi Jayanti.

Allied Health Science

Respected Dean Ma'am.

Respected CEO sir.

Tree are the most important and useful gift of nature. We can't think our existence without trees. They help us in many ways.

Respected Chief Coordinator Mrs. Sneha Sonawane

Respected HOD of Allied health science Dr. Kailash jawade
